### **How Do You Get the Year to Print on the 1099 Forms?**

For various tax forms, starting with the 2022 reporting year, the IRS will no longer be printing the complete year on these forms.

**Example:** Rather than printing 2022, they will only be printing 20\_\_ . The 1099-NEC and 1099-MISC forms have been changed to print the last two digits of the reporting year.
