How Do You Quickly Move a Product Line on an Order to a Specific Location?

Angie K - 2023-07-11 - in Quotes, Orders & Invoices

How Do You Quickly Move a Product Line on an Order to a Specific Location?

Quotes, Orders, and Invoices offer an option within the product lines red toggle icon to “Move to” a desired new line number. This allows you to move the line more quickly when wanting to move the line up/down several lines.

^ Products (4)										
	Code	Description		Ordered	Unit	IPC	Price	Price Total	Cost	Cost Total
1	SV-39874	Sunvisors		100	Each	(S)	\$7.5400	\$754.00	\$3.8640	\$386.40
