How Do You Setup ESP Integration in ASI SmartBooks?

Follow these easy steps to setup ASI® SMARTBOOKS integration with ESPWeb and ESPSearch. (Integration requires a subscription service with these ASI products).

Have your ESPWeb and ESPOnline login information handy for reference as you will need to enter this information into ASI® SMARTBOOKS. If you do not have these, contact your ASI representative.

1. Click the Tools tab in the ASI® SMARTBOOKS ribbon menu.

2. Select Company Setup in the Control section of the ribbon menu.

3. Select "Your Company".

4. In the System Defaults expander below, enter your ESPWeb ASI number .

^ System Defaults

Terms	Net 30	Ship Method	Ground	Edit FOB	Factory	Forms Wording	Freight
asi/	125724	Standard Salesperson Commission	10.00%	Country	UNITED STATES		

5. Save your changes. Company Setup is complete and can be closed.
