## How Do You Use the ASI® SMARTBOOKS ESP Integration?

Tammy Mason - 2017-09-08 - in ESP

### How Do You Use the ASI® SMARTBOOKS ESP Integration?

Follow these easy steps to use ASI® SMARTBOOKS integration with ESPWeb and ESPSearch. (Integration requires service with these ASI products).

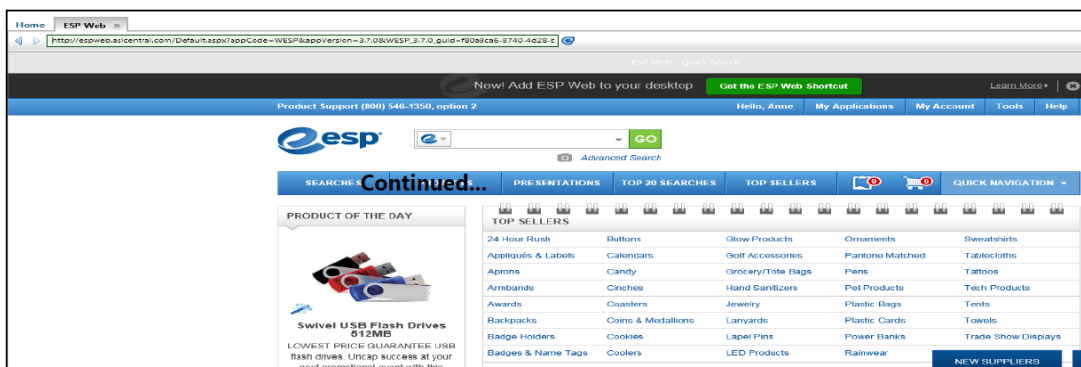

- 1 Access ESPWeb from the Main Menu or from the ESP Web selection in the ribbon menu. The Customer, Order and Product tabs contain the ESPWeb selection.

- 2 The first time the ESPWeb is selected, you will be asked to enter your ESPWeb Username and password to gain access to ESPWeb.

A screenshot of a dialog box titled 'Enter ESP SSO Credentials'. It contains two input fields: 'Username' and 'Password'. The 'Username' field has 'asi/' and '0' entered. Below the fields are 'Login' and 'Cancel' buttons.

- 3 Selecting the ESPWeb selection will open a new tab with a browser that connects to ESPWeb. Within this browser, add items to your cart that you wish to add to your orders in ASI® SMARTBOOKS.

4 Once items are in your ESP Web shopping cart go to your order in **ASI® SMARTBOOKS**. In the Product expander of the order select "Add Product".

In the newly added product line select the Shopping cart which will display all your ESPWeb shopping cart products.

Select the Product that you wish to be added to your **ASI® SMARTBOOKS** order.

Products (1)												
Code	Description	Ordered	Unit	IPC	Price	Price Total	Cost	Cost Total				
	pencil	1	Each	(S)	\$0.0000	\$0.00	\$0.0000	\$0.00

Or search your **ASI® SMARTBOOKS** Product's resource file.  
Enter a Product Number or Description in the **ASI® SMARTBOOKS** Order's Product and click the control's search icon to search **ASI® SMARTBOOKS** Product resource database.

The screenshot shows the 'Products (1)' interface. At the top, there is a search bar with the text 'color' and a search icon. Below the search bar is a table with columns: Code, Description, Ordered, Unit, I/P, Price, Price Total, Cost, and Cost Total. The table contains several rows of product information. To the right of the table, there are several input fields and dropdown menus, including 'Price Per', 'Cost Per', 'Category', 'Type', 'Ship', 'In Hand', and 'Ship Message'. A black arrow points from the search icon in the top right to the search icon in the search bar.

Code	Description	Ordered	Unit	I/P	Price	Price Total	Cost	Cost Total
